

Para Medical Technology Society of India

Proposal Summary

Implementing Agency	Para Medical Technology Society of India
No. of Trainees in 10 years	1.14 lakh
No. of Centres	15
Location(s)	Delhi, Uttarakhand, Himachal Pradesh, Bihar, Rajasthan, Uttar Pradesh
Sectors Targeted	Healthcare
Project Cost	Rs. 6.70 Crore (NSDC funding Rs.5.00 Crore)
Sourcing Model	After collection of applicant's forms, the Project Admission Committee will call trainees for group discussions & personal interaction. Based on the interview, the candidates would be selected. The Society can utilize existing network of its sister concern, DPMI for sourcing of trainees in the locations where it has centers currently. DPMI has a strong brand name.
